### CIMA F2 Advanced Financial Reporting

CIMA offers a business qualification with a finance focus, aiming to produce members with accounting prowess who are skilled in strategic decision-making. 98% of its members work in business, the highest proportion of any worldwide accountancy body. Paper F2 Financial Management replaces Paper P8 Financial Analysis. The syllabus is very similar to old Paper P8, but students will now meet elementary groups at Paper F1 level prior to studying F2. The syllabus specifically includes share-based payments and the emphasis of ratios has now changed from calculation to interpretation. The main syllabus areas have been changed to: \* Group financial statements \*

Issues in recognition and measurement \* Analysis and interpretation of financial accounts \* Developments in external reporting  
The Study Text focuses on the exam. It provides clear and detailed coverage of the syllabus. Exercises within each chapter cover both basic principles and more detailed issues. In the area of consolidation, these include both complex groups and changes in group structure during the year. Accounting standards are explained and their practical implementation illustrated and tested through appropriate questions.

### *CIMA Official Learning System Financial Management*

*F1 builds on knowledge from paper C2 and introduces tax at a very basic level; it is not based on any tax regime. Financial reporting is a major part of the syllabus, both single company and group accounts are examined in the two '25-mark' questions in section C. New financial reporting topics introduced at this level are: group accounts; construction contracts; financial instruments; and leases. It has four main sections: The principles of business taxation The principles of regulation of financial reporting Preparation of financial statements which conform with IFRS Consolidated financial statements The study text concentrates on the key areas of the syllabus, taking into account the way in which topics are examined. The text has a step-by-step approach to producing financial statements and lots of exercises in which you can practice the workings. We guide you through the more problematic topics which can be brought into the preparation of single company and group financial statements, and give you plenty of examples.*

*The Study Text has been reviewed by the examiner and takes account of their advice on approaching the paper. Ethics, which have an impact on all aspects of financial reporting, are introduced at an early stage, as is corporate social responsibility. The accounting standards coverage combines revision with extension into more advanced areas. Later, more advanced consolidation topics are covered. Current issues are reflected throughout and also summarised in their own chapter. The question bank contains practice at the case study-style question you will encounter in the real exam. The Study Text is suitable for both International and UK streams. Additional topics relating to the UK are covered in an online supplement.*

### *Financial Accounting*

*This revised and enhanced book examines the role of finance in supporting other functional areas while fostering an understanding of how financial decisions can create value. Corporate Finance covers areas related to estimating divisional cost of capital; executing a financing strategy; establishing debt and dividend policies consistent with the company's strategy and environment; choosing between dividends and stock repurchases; managing high growth and managing working capital. Its new topics include: - Corporate Financial Flexibility (Real options) - New Financial Instruments - Project Finance - Acquisitions and Control - Performance Measurement and Incentive Compensation The goal of this book is to provide a thorough understanding of how and why firms make their financial decisions the way they do and their impact on shareholder value. The central theme of the book is Value Based Management, which assumes that maximizing shareholder value is the governing objective of a firm. Each chapter of this new edition has detailed and real-life cases to help students easily understand and grasp concepts. The author has also provided the case-map of the Harvard Business School to make this book more user-friendly in classrooms. The inclusion of several new topics/cases, extensive pedagogical tools and a finance-for-non-finance approach make this book ideal for MBA/CA/CFA/ICWA students and executive education programs.*

news this morning that I have finally passed T4!! Many thanks for your support and advice in the lead up to the exam, I am certain that without the really important tips on exam strategy you provided I would not have passed. Many thanks again!" Babak Fardaghaie "So I managed a 76% pass for E2 using your notes. They are very well structured and easy to use. Thank you so very much." Amanda Vakalisa "The Astranti method of teaching is systematic and easy to follow. I gained a lot of knowledge and regret not enrolling with Astranti for my earlier CIMA exams. After the course I was confident about my preparation. I would recommend the course to everyone sitting the T4b exam especially the MARKED mocks. Its the section by section detailed feedback from tutors that helps to improve and gain confidence." Gunjan Nagpal "I have cleared all 3 strategic level papers in my first attempt. I used the Astranti learning material during my final revision. They were short, precise and saved a great amount of time which made all the difference for me in the exam. Thank you very much."
